

# PRESENTATION PROPOSAL

*Conference on the Young Years* is for those involved or interested with the early childhood profession. This conference will provide the opportunity for participants to discuss appropriate practices, share ideas and receive developmental information.

We invite you or others who are interested to submit a proposal for presentation at the conference. To assure an effective one-hour presentation, sessions will be limited to two presenters. The proposal should be specific enough for reviewers to grasp the nature of the program, its scope and the planning done in preparation. We also ask that you write a brief description (two of three sentences) to assist in the writing of the conference brochure if the presentation is accepted. Registration to the conference, banquet, and one night/one room accommodation for presenters will be waived. Envelopes must be postmarked no later than July 1, 2004. Each proposal will be considered by the Conference Planning Committee. Selected presenters will be notified by November 1, 2004.
